April Highlights

April 2nd Xbox One Game Day: Join us for a tournament style day of game play. If you lose, you hand your controller to the next person. We will have several games for the audience to choose from.

April 10th Donuts and Discovery: Gather for donuts with tea/cocoa and meet an interesting speaker. This month we feature Brian Porter of Porter Pickups. Brian is a luthier or guitar craftsman. He is skilled at building guitars. He also owns a business creating and selling pickups for guitars. What does this all mean? A very interesting talk with a side of music! Be sure to ask him about his BSU guitar which Garth Brooks played! Porterpickups.com

April 18th Jeremy's Downtown Arcade: Join us at Jeremy's 206 12th Ave. S, Nampa for an afternoon of fun arcade games. Spud State Cares will pay admission for all people with special needs and assistants with ID or proof of employment get in for free.

April 23rd Movie, PJs, and Popcorn: This month we feature Zootopia! PJs are not required, but they are encouraged!
